A. Answers to Queries

UBIX CORPORATION

Nr	Query	Answer
1	<p>Delivery and Documents</p> <ul style="list-style-type: none">➤ As stated, the winning bidder will deliver all the machines in one location only. For our Clarification who will be in-charge for the delivery in other site like Taguig and who will shoulder the cost. As a supplier if we will deliver the machine in one location and transfer it to another will be additional cost especially in our operations side. We suggest that the winning bidder will directly deliver the machine in their specific location.	<ul style="list-style-type: none">➤ The End-user will provide specific office location list for delivery of photo copying machine to the winning bidder upon conduct of site inspection. SBB will be issued accordingly.

<ul style="list-style-type: none"> ➤ Request for the list of location ➤ Based on our computation the declared volume was not match on the ABC ➤ Should be the volume requirement match the ABC ➤ May we request to change the 24 hours for the replacement so we able to prepare all the needed documents and check / monitor the good condition of machine before we deploy. ➤ May we request if we can deliver and replace refurbished (service unit) machine instead of brand-new machine and replace within 72 hours instead of 24 hours. Replacement of brand-new machine was additional cost in our side as a supplier. We can replace the machine to a brand new one once there are needed parts that are high value. ➤ If the said requirement is same with the powder toner ➤ If we will attach the contract of all ongoing government and private 	<ul style="list-style-type: none"> ➤ The list of 46 HPN offices under HPN & HSG at Roxas Blvd, Manila and Tenant units at BNS will be provided upon the conduct of site inspection of proponent. SBB will be issued accordingly. ➤ The ABC was rounded of to a whole a figure. Since this is bidding the ABC will suffice the project and the lowest bidder will win. So, shortage of fund will not be an issue to the winning bidder. ➤ The volume will not necessarily match the ABC since machine usage depends on the season. ➤ This unit declines the request of the proponent with regard to replacement of defective unit within 24 hours. Since the current supplier can comply with the current set-up of delivery of new unit within 24 hours. ➤ The request to deliver and replace refurbished (service unit) machine instead of brand-new machine and replace within 72 hours instead of 24 hours denied, the unit must be Brand New, with regard to replacement of defective unit within 24 hours, the current supplier can comply with the current set-up of delivery of new unit within 24 hours. ➤ Yes, it the same ➤ Yes, the proponent needs attach the contract of all ongoing government and private including those awarded but not yet started.
