A. Answer To Queries

1. Metro Globe Trading

	QUERY	ANSWER
1	The expiry date for Flu vaccines should be December 2022 and not 2023	REQUEST GRANTED- The vaccine's expiration date should be 31 December 2022 .
2	We request that the eligible SLCC similar contracts shall refer to any medical products related to the items to be bid and not limited to the Supply and Delivery of Drugs and Medicines and Medical Dental Supplies. Example: Supply and Delivery of Various Medical and Laboratory Supplies/Equipment, etc.	REQUEST DENIED- The BAC shall maintain its current stance on the similar largest completed contract shall be Supply and Delivery of Drugs and Medicines and Medical Dental Supplies.
3	We request that the Delivery Period shall be Sixty (60) Calendar Days instead of Thirty (30) days to give us sufficient time to manufacture/import some of the items in the project.	REQUEST DENIED -The BAC shall maintain its current stance on the 30 calendar days delivery period for all of the line items in the bidding documents of Supply and Deliver for Medical and Laboratory Supplies for PMC. The delivery period is final to maximize the distribution and administration to the PMC personnel of the procured flu vaccines that have only one year or 365 days of shelf life.

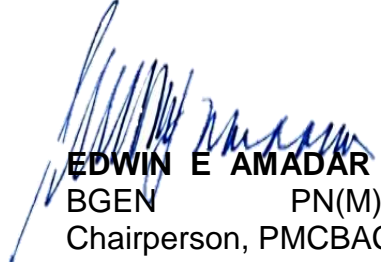

2. Biosite Medical Instrument

	QUERY	Answer
1	Inactivated Influenza Vaccine Southern Hemisphere Strain; suspension for intramuscular injection; from date of manufacture; type 1 pre-filled glass 0.5ml syringe with needle; special condition: provision for cold storage/DOM: CY2022 Exp: 31 December 2023 or later . Tube current: at least 800mA or higher	REQUEST GRANTED- The vaccine's expiration date should be 31 December 2022 .
2	For Single Largest Completed Contract this purpose, similar contracts shall refer to Supply and Delivery for Drugs and Medicine and Medical Dental Supplies . May we request to change the category to Medical and Hospital Supplies .	REQUEST DENIED- The BAC shall maintain its current stance on the similar largest completed contract shall be Supply and Delivery of Drugs and Medicines and Medical Dental Supplies.
3	Delivery Schedule 30 Calendar Days Upon Receipt of Notice To Proceed. May we request to extend the delivery schedule to sixty (60) calendar days upon receipt of Notice To Proceed.	REQUEST DENIED -The BAC shall maintain its current stance on the 30 calendar days delivery period for all of the line items in the bidding documents of Supply and Deliver for Medical and Laboratory Supplies for PMC. The delivery period is final to maximize the distribution and administration to the PMC personnel of the procured flu vaccines that have only one year or 365 days of shelf life.
