L/Nr	Queries	Answer
1	<p><b>SECTION III- BID DATA SHEET</b></p> <p><b>CLAUSE 12 - DELIVERY TERMS CHANGE FROM DDP TO DAP:</b></p> <p><b>CLARIFICATION/RECOMMENDATION:</b> As a foreign supplier, we are already paying taxes and other government duties at the country of origin of goods. Relative to this, we would like your good office to consider the DAP delivery term for this project as a matter of standard in procuring foreign supplies/goods from other countries.</p>	<p><b>Request is Denied.</b> Under the GAA FY 2023, particularly paragraph <i>b</i> of Section 15 (<i>National Internal Revenue Taxes and Import Duties</i>), supply and delivery of <b>parts for the repair and maintenance</b> of KM trucks does not fall under the category of DND importations on military hardware, software, munitions, arms and equipment that allow non-cash transactions. Hence, DAP Delivery term cannot be considered.</p>

2	<p><b>SECTION V. SPECIAL CONDITIONS OF CONTRACT CLAUSE 1, ITEM NR 9 CLARIFICATION ON REPLACEMENT OF PARTS:</b></p> <p><b>CLARIFICATION/RECOMMENDATION:</b> Please clarify that in cases of replacement parts or new part numbers, it shall be accompanied with corresponding Service Bulletin from the OEM or other proof. Please remove the tires to be delivered on the said clause</p>	<p><b>Request is granted.</b> Section V. SCC clause 3, item nr 5 (TIAC REQUIREMENTS) That the batteries to be delivered should not reached more than one year from manufacturing date.</p>
4	<p><b>SECTION V. SPECIAL CONDITIONS OF CONTRACT CLAUSE 3, ITEM NR 6 CERTIFICATION OF PLUNGER TEST:</b></p> <p><b>CLARIFICATION/RECOMMENDATION:</b> It is noted that the certificate of plunger test is applicable only on tires. However, there are no tires listed in the technical specification. Please confirm and provide clarification accordingly.</p>	<p>The BAC clarifies that the provisions in Section V. SCC Clause 3, Item Nr 6 (Certification of Plunger Test) requirement will be removed and it will be reflected in SBB Nr 1.</p>
5	<p><b>SECTION III- BID DATA SHEET (SECTION 15)</b></p> <p><b>CLARIFICATION/RECOMMENDATION:</b> May we request if you can make it down to two (2) photocopies of the first and second components of its bid with proper tabs instead of seven (7) photocopies . 6	<b>SECTION V. SPECIAL CONDITIONS OF CONTRACT CLAUSE 1, DOCUMENTS TO PRESENT UPON DELIVERY OF GOODS SUPPLIED FROM ABROAD:</b>  <b>CLARIFICATION/RECOMMENDATION:</b> Four copies of the Invoice Receipt for Property signed by the Procuring Entity's representative at the delivery site. 8	<b>SECTION VI. SCHEDULE OF REQUIREMENTS:</b>  <b>CLARIFICATION/RECOMMENDATION:</b> May we request for the extension of schedule of delivery from 120 calendar days to 270 calendar days instead. This is due to erratic schedule of the vessel which is beyond our control. For your information and reference, we have been making our reservation and booking ahead of expected delivery period, however, the shipping company cannot give us define vessel schedule.
