1	For the Delivery Period of 30 calendar days , may we request from your good office to check the possibility to make it at least up to 120 days upon the receipt of NTP. We will not wait or use 120 days to deliver the goods but at least we have enough time if there's any unfavorable weather or situation during the delivery.	Denied
2	For Post Qualification – Documentary Requirements , for Letter L & M, this is a bit confusing. As this is both undertakings. Can we present only one?	Granted. Present only the Notarized Certificate of undertaking from the proponent that the sample items presented during items verification shall be the items to be delivered.

1	<p>I hope this letter finds you well, I am writing to discuss the upcoming bidding project titled “Procurement of Individual Clothing Requirements for Candidate Soldier (GS-PMCBAC-2025-05) with an approved budget of Seventeen Million One Hundred Forty-Seven Thousand Pesos (PhP17,147,000.00).</p> <p>Given the complexity and scope of the project, I would like to formally request an extension of the delivery period from the currently stated 30 calendar days upon receipt of the Notice to Proceed (NTP) to a period of 120 calendar days. This extension will provide us with ample time to ensure that all requirements are met satisfactorily, considering factors such as manufacturing constraints and logistical considerations that may arise, primarily due to challenges associated with one of the items the Boots, (Combat) PhilMarPat. The production lead time for these boots exceeds one month because the materials required must undergo extensive testing to ensure they meet our quality standards before production can commence.</p>	<p>Denied</p>
